

Building Civic Knowledge

1

Our government is a representative democracy, one in which all of us have a voice. One way to use your voice is to vote. Not everyone who can vote does vote. What ideas do you have to encourage more people to vote?

Building Civic Knowledge

2

In 1971, the 26th Amendment changed the age a citizen can vote from 21 to 18. Do you think that age should stay the same, be lowered, or be raised and why? What age would you suggest?
