 - Assist in planning and executing programs aimed at promoting voter engagement and civic participation
 - Collaborate with internal teams and external partners in program development
- **Assist with Stakeholder Relations:**
 - Help establish and maintain relationships with community organizations, educational institutions, government agencies, and other stakeholders

- **Other Duties:**

- Undertake additional tasks as assigned by the supervisor to support the organization's objectives.

- Strong interest in civic engagement, voter education, and social impact initiatives.
- Excellent organizational and time management skills, with the ability to multitask and meet deadlines.
- Strong communication skills, both written and verbal.
- Ability to work effectively both independently and as part of a team.
- Commitment to nonpartisan principles and dedication to promoting democratic values.

Applicants with academic backgrounds in political science, public administration, communications, or a related discipline are encouraged to apply; however, we consider strong interest in Seventy's nonpartisan mission to be more important than matching coursework.

This position receives \$15/hour. Ideally, a fellow should be able to commit to 14 hours each week.

We recognize that a diverse organization brings together unique perspectives, experiences, and talents, leading to increased creativity, innovation, and better decision-making. Our commitment to DEI extends throughout our fellow recruitment process, ensuring equal opportunities and fair treatment for all candidates. We firmly believe that by fostering a diverse and inclusive workplace, we can create a stronger, more vibrant, and more successful organization.
