How to Find Your Polling Place

Once you are registered to vote, it is important to know where you have to go on Election Day to cast your ballot. In Pennsylvania, to vote in person on the voting machines on Election Day, you must vote at your designated polling place.

Certificate of Voter Registration (Voter Registration Card)
Newly registered voters will be mailed a Certificate of Voter Registration, more commonly known as a Voter Registration Card. This card will indicate the current location of your polling place. If your polling place changes you will be mailed a new Voter Registration Card. If you are concerned that your polling place may have changed and you have not received a new card, you can find your correct polling place by contacting the Office of the City Commissioners or checking our website, www.philadelphiavotes.com.

Contact the Office of the City Commissioners
You can also find your polling place by getting in contact with either of the two offices listed below:

Philadelphia Voter Registration Office
520 N. Columbus Blvd., 5th Floor
Philadelphia, PA 19123
215-686-1590
Mon-Fri, 8:30 AM – 5:00 PM

Philadelphia County Board of Elections

Philadelphia, PA 19107
215-686-3469
Mon-Fri, 8:30 AM – 5:00 PM
Use www.philadelphiavotes.com to Find Your Polling Place
You can use the Philadelphia VoterApp at www.philadelphiavotes.com to find your polling place. Simply type in the address at which you are registered to vote in the search box at the top of the VoterApp page and hit enter. The VoterApp will look up your polling place and give you directions on how to get there.

Regular Ballot
A regular ballot is cast at the polling place on Election Day on the voting machine, or if machines are not working properly, on an emergency paper ballot. To cast a regular ballot, a voter’s registration must be listed in the poll book (which includes the supplemental poll book sheets) on Election Day. You can find your polling place at www.philadelphiavotes.com or by calling the Philadelphia County Board of Elections at 215-686-3469.

Acceptable paperwork would be an Emergency Absentee Ballot Application or a letter or other signed document that includes the same information contained on the Emergency Absentee Ballot Application.

Those who are unable to personally submit an Emergency Absentee Ballot Application may designate, in writing, a representative to deliver the absentee ballot to the voter and then have the same individual return the completed absentee ballot to the Philadelphia Court of Common Pleas.

**Alternative Ballot**

Alternative Ballot Requirements: If you are a registered voter who is disabled or age 65 or older AND who is assigned to an inaccessible polling place, you are qualified to vote using an alternative ballot.
How to Determine if your Polling Place is Accessible: Visit [www.philadelphiavotes.com](http://www.philadelphiavotes.com) to see which divisions do not qualify for alternative ballot use, or call the County Board of Elections in Room 142 City Hall at 215-686-3469.

Deadline for Alternative Ballot Applications: Alternative ballot applications MUST be received by the County Board of Elections no later than 5:00 PM the Tuesday before an election. Postmarks are NOT honored; applications must be in the office before the deadline.

Deadline for Completed Alternative Ballots: All completed alternative ballots, including Emergency Alternative Ballots, must be returned to the County Board of Elections no later than the close of the polls, at 8:00 PM on Election Day. Postmarks are NOT honored; the ballot must be in the office of the County Board of Elections.

If necessary, you may authorize a representative to deliver an alternative ballot to you and then return your completed ballot to the County Board of Elections.

**Emergency Alternative Ballot**
In case of an emergency after 5:00 PM the Tuesday before an election, you can submit an Emergency Application for Alternative Ballot, which must be received by the County Board of Elections by 8:00 PM on Election Day.

If necessary, you may authorize a representative to deliver an Emergency Alternative Ballot to you and then return your completed ballot to the County Board of Elections.

**Provisional Ballot**
A Provisional Ballot is a paper ballot that is used to protect the integrity of the election process and the rights of the voters. All provisional ballots are processed to determine the eligibility of the votes cast. All valid votes cast via provisional ballot are included in the Certified Election Results, and therefore have the same impact as votes cast on the voting machines.

There are many reasons why an individual may vote using a provisional ballot. The most common instances of provisional ballot use occur when an individual cannot be located in either the poll books or the supplemental poll book pages that contain the voter registration information for all the eligible voters in a division. It is important to note that any voter whose name cannot be located in either the poll books or the supplemental poll book pages **may only vote using a provisional ballot and may not vote on the voting machines.**

Another reason that an individual might be required to vote using a provisional ballot is in the case of a voter who fails to meet the ID requirement for first-time voters or voters who are new to a voting division.
An individual may be required to vote using a provisional ballot if an election official asserts that the individual is not eligible to vote. An example of such a scenario occurs during a Primary Election when there is a discrepancy between the party in which a voter believes he/she is registered and the party listed in the poll book.

Finally, an individual may be required to vote using a provisional ballot if they are voting as a result of a Court Order or if there has been a Court Order extending the time established for closing the polls.

If you voted by provisional ballot in the most recent election, then you may check the status of your vote at the Pennsylvania Department of State’s website at www.pavoterservices.state.pa.us. You may also check the status of your provisional ballot over the phone by calling 1-877-VOTES-PA (1-877-868-3772). Depending on the volume of provisional ballots cast in a particular election, the status of your provisional ballot may not be available immediately.

**Write-in Voting**

Each voter has the opportunity to write in a name that is not listed on the ballot. Instructions for write-in voting appear on every voting machine in Philadelphia. To cast a write-in vote on a paper ballot, look for the blank space labeled “Write-in.”

Ballot Questions for May 19, 2015 Primary Election

Plain English Statement Re Ballot Question #1
As Required By Section 201.1 of the Pennsylvania Election Code

Submitted to the Voters By:
Bill No. 140514-A (became law October 23, 2014);
Resolution No. 140527 (adopted September 18, 2014)

Ballot Question:
Shall The Philadelphia Home Rule Charter be amended to call upon the Pennsylvania General Assembly and the Governor to abolish the School Reform Commission and return local control of Philadelphia’s schools?

Statement:
This is a non-binding referendum calling on the State Government to return the Philadelphia public school system to local control. The School District of Philadelphia currently is governed by a State-controlled School Reform Commission. This proposed amendment to the Home Rule Charter would express the view that the State takeover of the public school system has weakened the voices of parents and community in the operation of public education in Philadelphia, and that the School Reform Commission should be abolished.

Plain English Statement Re Ballot Question No. 2
As Required by Section 201.1 of the Pennsylvania Election Code

Submitted to the Voters By:
Bill No. 140230 (approved March 10, 2015);
Resolution No. 140244 (adopted February 26, 2015)

Ballot Question:
Shall The Philadelphia Home Rule Charter be amended to provide for the creation of a Commission for Women to be charged with promoting civic, educational and economic policies for women and providing advice and recommendations to the Mayor and City Council on policies and programs that advance equal rights and opportunities for women in the City?

Statement:
This proposed amendment to the Home Rule Charter would establish a new independent City commission, the “Commission for Women.” The Commission will have 27 members, appointed by the Mayor and City Council; the members will represent the diverse population of
the City and will serve without compensation. City Council can change the method of appointment by ordinance. The Commission will have the purpose of advancing women to full equality and promoting equal opportunities for women in areas such as employment, compensation and education. The Commission will exercise advisory powers and duties with respect to the Mayor and Council on issues that affect women.

Plain English Statement Re Ballot Question No. 3
As Required By Section 201.1 of the Pennsylvania Election Code

Submitted to the Voters By:
Bill No. 140747 (approved March 10, 2015);
Resolution No. 140764 (adopted February 26, 2015)

Ballot Question:

Shall The Philadelphia Home Rule Charter be amended to require all City agencies to prepare, and comply with, plans to promote access to City services, compliance with City law and ease of contact with, and participation within, City government for people with limited English proficiency?

Statement:

Currently, a Mayor’s Executive Order requires all City agencies that report to the Mayor to develop Language Access Plans. These Plans are designed to improve access to City services for people with limited English proficiency and to make it easier for them to participate in City government. The proposed Charter change would require all City agencies, whether they report to the Mayor or not, to develop and carry out Language Access Plans. For example, the requirement would apply to independent agencies such as City Council, the District Attorney, and the City Commissioners. The amendment also would authorize the Mayor to designate a City agency to evaluate compliance with such plans.

Plain English Statement Re Ballot Question No. 4
As Required By Section 201.1 of the Pennsylvania Election Code

Submitted to the Voters By:
Bill No. 150005 (approved March 10, 2015);
Resolution No. 150017 (adopted February 26, 2015)

Ballot Question:

Shall the Philadelphia Home Rule Charter be amended to provide for the creation, appointment, powers and duties of an independent Commission on Universal Pre-Kindergarten which would recommend an implementation and funding plan for
achieving universal high quality pre-kindergarten for three- and four-year-olds in Philadelphia without taking away funds used for existing education?

Statement:

This proposed amendment to the Home Rule Charter would establish a new Commission on Universal Pre-Kindergarten. The Commission would be composed of 17 members, including certain designated public officials and members appointed by the Mayor and Council. The Commission would be responsible for developing and recommending a plan to provide high quality prekindergarten for all three- and four-year-olds in the City. The Commission would develop both an implementation plan and a funding plan. The Commission is required to make recommendations that would not decrease existing funding for education. The amendment also would require City Council to consider any funding plan recommended by the Commission; if Council fails to adopt such a funding plan, the Commission is directed to re-convene and to propose a plan in each following year until Council adopts one.

Voting Rights of Convicted Felons, Convicted Misdemeanants, and Pretrial Detainees

Who Can Register and Vote

The following individuals may register and vote if they have been citizens of the United States for at least one month before the next election; have been residents of Pennsylvania and their respective election districts for at least 30 days before the next election; and will be at least 18 years of age on the day of the next election:

- Pretrial Detainees (individuals who are confined in a penal institution awaiting trial on charges of a felony or a misdemeanor);
- Convicted Misdemeanants (individuals who are confined in a penal institution for conviction of a misdemeanor only);
- Individuals who have been released (or will be released by the date of the next election) from a correctional facility or halfway house upon completion of their term of incarceration for conviction of a misdemeanor or a felony;
- Individuals who are on probation or released on parole, including parolees who are living in a halfway house;
- Individuals who are under house arrest (home confinement), regardless of their conviction status or the status of their conditions of confinement.

Who Cannot Register and Vote

- Individuals who are currently confined in a penal institution for conviction of a felony (even if they are also incarcerated for one or more misdemeanor offenses) and who will not be released from confinement before the next election;
- Individuals in a halfway house or other alternative correctional facility on pre-release status for conviction of a felony and who will not be released before the date of the next election;
• Individuals who have been convicted of violating any provision of the Pennsylvania Election Code within the last four years.

Residency Rules
• For the purpose of determining residence, an inmate in a penal institution is deemed to reside where the individual was last registered to vote before being confined in the penal institution; or
• If the inmate was not registered to vote prior to confinement, the individual is deemed to reside at the last known address before confinement; or
• A new residence established while confined (for example, if the inmate’s spouse establishes a new residence in which the inmate intends to reside upon his/her release from confinement); or
• A penal institution (including a halfway house) cannot be a residence address for registering to vote.

Important Information for Registrants who are Confined in a Penal Institution
If individuals are currently confined in a penal institution for the conviction of a misdemeanor only or if they are awaiting trial, they must register from their last known address before confinement or an address (other than the penal institution) that they have established as their permanent residence.

If they were registered to vote before being confined, their residence is considered to be the address where they were last registered before confinement or the address (other than the penal institution) that they have established as their residence address or another address that they have established as their permanent address.

How to Vote (If Individuals are Confined in a Penal Institution)
1. Contact their county board of elections and request an absentee ballot application.
2. Complete the absentee ballot application card and return it to their county board of elections.
3. Upon receiving their absentee ballot, they must complete the ballot in secret, enclose it in the envelope marked “Official Absentee Ballot” and then place it in the second envelope on which is printed the declaration of the elector (voter).
4. Fill out, date and sign the declaration of the elector printed on the envelope.
5. Seal the envelope and mail it to their county board of elections.

Election Day Language Interpretation Services

When the Election Board or a voter who does not speak English well needs someone to interpret, and an interpreter in that language is not assigned or available at your polling place, call the City’s Language Line service. The Office of the City Commissioners provides the Election Board with a Quick Reference Guide to using the City’s Language Line service which will provide easy reference for all necessary phone numbers and access codes. The following are important tips for using the City’s Language Line service:

• Even if you do not know what language to request, the representative can help you.
• Explain the problem and ask the representative to stay on the line to check for sound quality.
• Give the interpreter specific questions to relay. Group your thoughts or questions to help conversation flow quickly.
• Expect interpreted comments to run a bit longer than English phrases. Interpreters convey meaning-for-meaning, not word-for-word. Concepts familiar to English speakers often require explanation or elaboration in other languages and cultures.
• Interpreters identify themselves by first name and number only. For reasons of confidentiality, they do not divulge either their full names or phone number. Please write down the name and number you are provided.
